[Madison, WI] – In response to the results of the Spring Election and Presidential Primary, the Republican Party of Wisconsin issued the following statement from Chairman Andrew Hitt:

“After numerous attempts by Democrats to rig the April 7 election in their favor despite a Democratic presidential primary at the top of the ballot, we’re disappointed in rule of law Justice Daniel Kelly’s loss. Democrats have tried from the beginning to rig this election in their favor by suppressing votes in the 7th Congressional District, launching several lawsuits to chip away at Wisconsin’s voter integrity laws and causing mass confusion surrounding the April 7 election. The president had a strong showing tonight despite no opposition, and we look forward to continuing to stand up for the rule of law and supporting President Donald J. Trump’s reelection this November.”
