

Just FIX IT

or Just Ignore it? *The Consequences of Doing Nothing*

US News & World Report rates Wisconsin's roads as 49th in the nation.

FACT *Despite well-documented poor and declining road conditions, the Governor proposes to spend LESS on transportation over the next two years.*

A Legislative Fiscal Bureau analysis comparing the Governor's proposed transportation budget to the current biennium shows that the Governor's proposal would **REDUCE spending by \$45 million.**

All Funding in Millions
