### Wisconsin Deserves Better Healthcare

Madison- Today, I joined Citizen Action of Wisconsin, Senator Dave Hansen, and Minnesota State Rep. Jennifer Schultz calling on Governor Walker to pass the Medicaid expansion and help stabilize the insurance markets in Wisconsin.

“Healthcare is a fundamental human right. We will not have a thriving economy or safe communities if medical bankruptcy is just one incident away. Security is not just about good schools or less crime. It’s about knowing that your family budget won’t be upended by a trip to the doctor’s office or the emergency room. Governor Walker again refuses to do anything to make quality healthcare more affordable. Walker is more concerned about appealing to Republican Caucus-goers in Iowa than he is the healthcare of the people of Wisconsin. Wisconsin families deserves better.”
