Statement from Tiffany Koehler on Filing Her Nomination Papers for the State Representative for the 58th Assembly District

Today we submitted over 300 hundred signatures for my name to appear on the ballot for the special election on December 19th. Support for my candidacy for the State Assembly came from all areas of the 58th District. I will continue to build on that grassroots support.

Voters know I live in the district, and that I traveled daily to Madison to work as a policy advisor and legislative aide to the late Representative Bob Gannon. I have experience and I get results.

- I will continue to fight for the 58th. Much work was left to do, I plan on rallying colleagues to ensure that district work is completed - I will carry Rep. Gannon's work across the finish line.
- As a military veteran, I have sworn to preserve, protect and defend the Constitution of the United States.
- The community's safety and security is my foremost concern. Throughout my career, I have worked with law enforcement agencies and leaders to combat crime and exploitation of our most vulnerable populations. I will continue to work to protect our way of life in Washington County.
- As a solid conservative, I will continue my work with colleagues and Governor Walker to reduce your tax burden and to reduce government's dependence on your hard-earned money. We will continue moving Wisconsin forward.

I look forward to taking my message to all the voters in the 58th Assembly District.
