Milwaukee- Today, Felesia Martin, candidate for Milwaukee County Board of Supervisors District 7, announced the endorsement of her candidacy by the following organizations:

AFSCME

BLOC

Milwaukee Area Labor Council

Wisconsin Progress

"I am honored to have received the endorsement of my candidacy for the Milwaukee County Board of Supervisors. Each organization plays a large role in trying to improve Milwaukee and Wisconsin. Every day people in Milwaukee are looking for leaders to step up and fight for them. I want to be that leader and to do that I need help from organizations throughout the county. Working with such organizations as AFSCME, BLOC, Milwaukee Area Labor Council and Wisconsin Progress I know that we can build a new Milwaukee which has improved parks, effective mass transit and sustainable economic development.

Felesia has spent her career working for the Medical College of Wisconsin, one of Milwaukee County's greatest institutions. She was raised in Milwaukee, and lives in the Sherman Park neighborhood with her husband.

The general election is on Tuesday, April 3, 2018.
