Madison, WI – State Representative Janel Brandtjen (R- Menomonee Falls) will receive the 2018 “Building Wisconsin” award, presented by Associated Builders and Contractors (ABC) of Wisconsin. The award is in recognition of her leadership in enacting legislation that benefits the state’s construction industry.

During the 2017-2018 legislative session, Rep. Brandtjen cosponsored Senate Bill 3, which allows all qualified contractors to have a fair shot at performing work paid with tax dollars, and coauthored Assembly Bill 508, which expands apprenticeship in our state to allow more workers to receive training for family-sustaining jobs.

“It is an honor to be recognized for supporting legislation that reinforces free market principles and reduces barriers for new apprentices entering the workforce,” she said. “I am proud of the work ABC of Wisconsin is doing to grow the construction industry and look forward to working with their organization to bring more quality jobs to our state in the future.”

Rep. Brandtjen can be reached at her office in Madison by phone or e-mail. Please feel free to contact her with any concern, small or large.
