59th Assembly District Candidate, Ty Bodden, Endorsed by Wisconsin Family Action

St. Cloud – Conservative candidate for the 59th Assembly District, Ty Bodden, has received the endorsement of Wisconsin Family Action. This is now the third pro-life group endorsement that Ty Bodden has received, including Pro-Life Wisconsin and Wisconsin Right to Life. Ty is the only candidate in the race to receive endorsements from all of these groups.

Ty issued the following statement regarding the endorsement, “I have made the pro-life issue a focal point in my campaign. Stopping abortion and ending the sale of aborted fetal body parts are at the top of my priority list when elected. With my wife and I expecting our first child, the pro-life issue has become more real to me than ever before. I am truly thankful and blessed to receive this endorsement from such an excellent organization. I look forward to working with Wisconsin Family Action starting on day one.”
