Loudenberg Announces Professional Fire Fighters of Wisconsin Endorsement

Clinton, WI— Representative Amy Loudenberg (R-Clinton) announced today her endorsement by the Professional Fire Fighters of Wisconsin (PFFW).

“I am proud and honored to receive the PFFW endorsement, said Rep. Loudenberg. “Over the last several years, I’ve had the pleasure of working closely with PFFW on numerous issues facing fire departments across the state, including mobile integrated health and training incentives, and was honored to be named one of their Legislators of the Year. Emergency responders are a crucial part of our communities and are often helping people on the worst days of their lives. In Wisconsin and across the country, Fire and EMS departments are facing tighter budgets as well as recruitment and retention challenges. I look forward to continuing to work with PFFW to address these concerns in the future.”

“The PFFW makes this endorsement because of Rep. Loudenberg’s support for issues affecting the health and safety of fire fighters, the fire service, and our families. We are pleased with the support she has given us in the past and urge the voters of the 31st Assembly District to return her to Madison so that she can continue her fine work,” said Mahlon Mitchell, PFFW State President.

PFFW represents over 4,000 full-time fire fighters and EMT’s in more than 100 communities across Wisconsin. The PFFW advocates an effective allocation of fire fighters, EMS personnel, and mobile resources to operate successfully on the scene of a fire or medical emergency.
