## **Senator Stroebel Votes to Cut Taxes for Middle Class Families**

*Family making \$70,000 a year would receive a \$300 tax cut*

Madison, WI – Senator Duey Stroebel (R-Cedarburg) released the following statement following the Joint Finance Committee’s vote to cut taxes:

*Hard working Wisconsinites power our economy and fund state government, so if there is a surplus I believe it is common-sense to return that revenue to those who earned it. The tax cut supported by legislative republicans will reduce the middle class tax burden without needlessly raising taxes on Wisconsin businesses.*

*If you believe we don’t need to endlessly expand state government it’s easy to find the revenue to maintain existing tax cuts and programs while continuing to reduce the tax burden on middle class tax filers and that’s exactly what this proposal does.*
