MADISON – On Tuesday, Senator Dan Feyen (R – Fond du Lac) testified before the Committee of Agriculture, Revenue and Financial Institutions on a bill he authored that will save taxpayers money. Senate Bill 12 will ensure taxpayers are not subsidizing the moving costs for companies leaving the state or the country. Sen. Feyen is devoted to promoting economic growth in the state of Wisconsin and protecting Wisconsin taxpayers' hard-earned money.

“We all want to see our economy grow and prosper. It’s common sense that one of the best ways to boost our economy is to encourage businesses to stay right here in the state of Wisconsin and invest in our future. Our tax dollars should not be wasted on subsidizing the moving costs for companies who are trying to leave the state,” Sen. Feyen said. “I look forward to working with my colleagues to pass this bill and see its positive effects for Wisconsin taxpayers.”
