## TDA Statement on Governor Evers' Budget Address

Madison – Transportation Development Association Executive Director Debby Jackson released the following statement on Governor Evers' budget address:

"The Governor's budget proposal acknowledges Wisconsin's transportation infrastructure is in rough shape and in desperate need of resources just to prevent further deterioration of conditions.

"Wisconsinites have been calling on lawmakers to "Just Fix It" for years. TDA's members are hopeful this is the first step toward coming to a bipartisan consensus on a long-term, sustainable and responsible plan."
