## **Speaker Vos Statement on Meeting with Foxconn Chairman Terry Gou**

**Madison...**Speaker Robin Vos (R-Rochester) released the following statement after meeting with Chairman Terry Gou in Racine County.

“The meeting was another positive step forward in the development of the Foxconn project in Racine County. Every time they are asked, Foxconn officials reiterate their commitment to keeping their promises and growing their investment in our state. Let’s hope now that they've met with Governor Evers, we can put the political back and forth behind us. We’re all on the same team and we can’t have politics get in the way of this transformational project.”
