June 1-2 is the Free Fun Weekend in Wisconsin

(MADISON)- This weekend Wisconsin Parks and the Department of Natural Resources celebrate the Free Fun Weekend. All visitors to state parks will have no entry fees, users of DNR trails will not need a pass, and no licenses will be needed for fishing. Rep. Gary Hebl, the ranking member on the Environment Committee, released the following statement:

“The Free Fun Weekend is an excellent opportunity for those who don’t normally utilize our state parks or trails to try them out,” Hebl said. “Whether it be hiking, biking, picnicking, horse riding, fishing, or any other activity, Wisconsin parks and trails are some of the best in the country.”

In addition, DNR is also offering free fishing clinics and equipment rentals at certain sites. To find a park, trail, or clinic near you, go to the [DNR’s website](#) for more information.

“I am confident that anyone who sees what Wisconsin parks, trails, and waterways have to offer will fall in love,” Hebl said. “I encourage everybody to get out and enjoy Wisconsin’s beautiful natural resources whenever they can.”
