Rep. Robyn Vining Celebrates June as Fatherhood Month

MADISON – Today, the Wisconsin State Assembly passed a Joint Resolution honoring June as Fatherhood Month in the state of Wisconsin. Representative Robyn Vining (D-Wauwatosa) released the following statement in response:

“I am thrilled my Joint Resolution, with bipartisan and bicameral co-authorship, co-sponsorship, and overall support, passed through the Wisconsin State Assembly today. With Father’s Day last Sunday, it is important to signify the role of fathers in our state and our families with this resolution.

Fathers provide guidance, support, and encouragement to their families. The role of a father can be fulfilled by fathers, stepfathers, grandfathers, uncles, brothers, foster care and respite caretakers, and other guardians or role models. This month, and day, celebrating fathers and fatherhood brings tremendous joy to many of us, and I wish joy to all. It also means others are experiencing pain, sadness, grief, longing - I wish you all peace. For many of us, it is both. I wish love to all fathers and families across this great state, as we honor June as Fatherhood Month.”
