Power Outage Causes Unavailable Court Network

Brown County Circuit Court Internet, E-Filing Down, Deadline Extended

(Brown County, Wis.) – Due to the explosion and fires in Madison, which caused Wisconsin's Consolidated Court Automated Programs online system to go down, the Brown County Circuit Court network will be down until further notice.

This includes all Internet, E-Mail and E-Filing with the Brown County Circuit Court, Clerk of Circuit Court, Register in Probate and Family Court Commissioners Office. Attorneys and individuals with urgent matters before the Court are encouraged to file documents manually until further notice. The entire system is expected to be up and running by Monday July 22nd. Deadlines for court filings have been extended until 11:59 p.m. on Monday July 22nd.

The Brown County Courthouse remains open and hearings are still taking place. Anyone with questions can call the Brown County Clerk of Courts at (920) 448-4155.
