Statement on Special Session Call

Madison...Speaker Robin Vos (R-Rochester) released the following statement on the special session call by Governor Evers.

“A special session call will not change where my Assembly Republican colleagues and I stand on protecting the 2nd Amendment rights of Wisconsin citizens. As I have repeatedly said, we will not entertain proposals that infringe on our constitutional rights. Today’s call is another indication that Governor Evers stands ready to confiscate guns in our state.

“Governor Evers would rather score political points than effectively govern Wisconsin, where a vast majority want their 2nd Amendment rights protected. Assembly Republicans are committed to bringing people together by working on legislation that addresses important issues affecting the state including water quality, suicide prevention, homelessness and adoption.”
