Statement: MillerCoors to Move Jobs to Wisconsin

Madison...Speaker Robin Vos (R-Rochester) released the following statement after MillerCoors' parent company, Molson Coors Brewing Co., announced its revitalization plan will include moving support roles to Milwaukee.

"I would like to thank MillerCoors for expanding its workforce in Wisconsin and its continued commitment to the state. Governor Evers also should be commended for following through on the income tax credits that Governor Walker and the [Wisconsin Economic Development Corporation](#) authorized for the company in 2017. It's good to see that the governor is beginning to understand the importance of providing incentives to help spur business and job growth."
