Representative John Nygren Honors Chief Rick Badgley

Madison--State Representative John Nygren (R-Marinette) released the following statement after the State Assembly honored Peshtigo Police Chief Rick Badgley:

“Today, the State Assembly honored first responders from around the state for their dedication and passion for keeping our communities safe. The sacrifices made by first responders often go unnoticed or underappreciated. That’s why, as a body, we expressed our gratitude for their work on behalf of the state.”

The 89th Assembly District nominee for “First Responder of the Year” is Peshtigo Police Chief Rick Badgley. As a member of law enforcement, Chief Badgley has protected the citizens of the City of Peshtigo for 37 years. In 2018, he was promoted from Sergeant to Police Chief.

“I would like to extend a sincere thank you to Chief Badgley for his many years of service in our community. Chief Badgley has always proven selfless and fervent in his actions and has always had the highest regard for the welfare and security of the citizens of Peshtigo. I was honored to have the privilege to welcome Chief Badgley to Madison to receive his award.”
