Tauchen Statement on ATCP 51

Release Date: November 1, 2019

Contact: Rep. Gary Tauchen, Chair of Assembly Committee on Agriculture, (608) 266-3097

Madison—Rep. Gary Tauchen (R-Bonduel) Chair of the Assembly Committee on Agriculture released the following statement after today’s announcement on ATCP 51 which covers the state’s livestock siting rule:

“Today’s announcement on ATCP 51 provides the Department an opportunity to listen to and collaborate with farmers, agricultural leaders and stakeholders. I strongly encourage DATCP to consider and adopt input to find a final product that will truly encourage, as originally intended, ‘growth and viability of animal agriculture in this state,’ but remains ‘protective of public health’.”
