Sincerest Condolences to the Family of Amea and A’Lisa Gee

“As our community prepares itself to say its final goodbyes to two young, innocent little girls whose lives were taken tragically in a senseless incident of reckless driving, I would like to express my deepest sympathies to the families and friends of Amea and A’Lisa Gee and to their 10-year-old cousin Drevyze Rayford. My heart, my tears and my frustration are with the community and all those affected by this senseless crime. As a mother myself, no words can adequately express the sorrow and compassion I feel for all the mothers involved, especially Destiny Foster for having to lay to rest two of her children.

“Although nothing can bring these children back or take away the grief of an entire community, the prosecution of those who will be found guilty of this crime will hopefully send a message to others and prevent other innocent children from losing their lives to such a senseless and preventable tragedy.”
