Rep. McGuire Statement on GOP Inaction to Reduce Gun Violence

MADISON – The following is a statement from Rep. Tip McGuire on the GOP Majority’s disposal of Gov. Evers’ call for a special session without a vote on proposals to reduce gun violence:

“As a former prosecutor, I have seen firsthand the need to support law enforcement with laws like criminal background checks that keep firearms out of the hands of felons and dangerous individuals. The GOP Majority ignored the call of the governor, of law enforcement, and of 80% of Wisconsinites to take action and improve public safety.”
