## Ballweg Legislation Signed Into Law

**Madison...** Representative Joan Ballweg (R-Markesan) and Senator Devin LeMahieu (R-Oostburg) authored a bill that would clarify the five-day grace period for receipt of real and personal property taxes. Under current law, a five-day grace period is allowed but there have been differing opinions on what it means when the end of the grace period lands on a weekend.

“My office was contacted by county treasurers seeking guidance on how to enforce this grace period,” said Ballweg. “I am happy this bill provides a simple fix that will bring clarity and uniformity across our state.”
