WITTKKE ASSEMBLY BILL 73 SIGNED INTO LAW

"The end of a tax era has come"

MADISON: "Today we closed the roof on the Miller Park Stadium tax!" said Rep. Robert Wittke (Wind Point) after the bill signing ceremony where Governor Evers signed in to law Assembly Bill 73 authored by Rep. Wittke and Sen. Wanggaard.

"Reforming our tax code will benefit Wisconsin residents and businesses. The elimination of this long standing tax on Racine County and four others to pay for the Miller Park Stadium is a step in the right direction." said Rep. Wittke. "I am very pleased my first bill signed into law is tax reform!"
