## **GOP Weekly Radio Address: It's time to pass the USMCA**

**MADISON** – In this week's GOP radio address, Rep. Rob Summerfield (R-Bloomer) says it's time to pass the United States, Mexico, Canada Agreement (USMCA).

*I'm Representative Rob Summerfield. It's been over a year since the United States, Canada, and Mexico negotiated a new-and-improved trade agreement. But Congress has failed to act on it.*

*The USMCA is a trade deal for the 21<sup>st</sup> Century. It levels the playing field with our North American neighbors and prioritizes American manufacturers in a way that has not been seen for decades.*

*Wisconsin will greatly benefit from the passage of this trade deal, particularly dairy farmers. The USMCA expands access to Canada's dairy market for milk and cheese producers. It will give our farmers a fighting chance and reinvigorate not only the industry as a whole, but the backbone of the Wisconsin economy.*

*The deal has bipartisan support. It's time for Congress to put politics aside and pass this modern free trade agreement.*
