A written transcript of the address is below:

“Hi, I’m State Senator Janet Bewley.

“With winter really setting in across the state, the chances of an accident or getting sick increase for everyone. Fortunately, if you are uninsured or looking for a more affordable health care plan, there is still time to find one through the Affordable Care Act Health Insurance Marketplace!

“Until December 15th, Wisconsin residents and families can apply for a 2020 health plan, renew their current plan, or pick a new plan.

“Go online to healthcare.gov to explore and compare your health insurance options before open enrollment ends on December 15th.

“Get covered, and get the peace of mind it brings this winter! Visit healthcare.gov today!”
