**NEAL PLOTKIN ANNOUNCES ENDORSEMENT OF CAMPAIGN BY FOX POINT TRUSTEE
LIZ SUMNER**

Local business owner, citizen-legislator and committed leader endorses

GLENDALE - Neal Plotkin announced the endorsement of his campaign by Fox Point Trustee Liz Sumner.

Plotkin stated, "When Liz ran in 2018 for the Wisconsin State Assembly as a local elected official, she inspired me. Although she came up a bit short, she ran a solidly progressive campaign that pushed the needle for positive change in the state legislature. She is now running unopposed for the Milwaukee County Board of Supervisors to continue her service in local government. I'm honored to have her support and look forward to working with her on solving problems in local government."

Sumner noted "Since I've met Neal, I've known him to be a principled, devoted, and pragmatic leader. When he told me he was challenging Alberta Darling, I was beyond excited for his candidacy. I know he has the experience and forward-thinking vision to change the status quo in Madison. I whole-heartedly endorse his campaign and encourage voters to support him in 2020."
