Grothman Raises over \$318,000 in Final Quarter of 2019

(Fond du Lac, WI) – The Glenn Grothman for Congress committee today released the campaign’s fundraising report for the final quarter of 2019. The committee reported raising \$318,175 over the past 3 months, a nearly 33 percent increase over the campaign’s highest fourth quarter total in previous election cycles.

Over the past year, 91 percent of Grothman’s individual contributions came from Wisconsin residents. 76 percent of the individual donations were in increments of \$100 or less.

Grothman achieved this fundraising success while keeping his on-going pledge to not accept one cent from drug companies.

“I’m very thankful for the overwhelming generosity from those who have supported our campaign” said Congressman Grothman (R-Glenbeulah). “There is a lot at stake in this election. Everyday I’m fighting to make sure that workers can keep more of what they earn, that everyone has access to affordable health care and that we leave the next generation a safer, more secure and prosperous country.”

Grothman’s cash on hand currently stands at over \$681,000, a 34 percent increase from the 2018 election and the highest cash on hand Congressman Grothman has ever had entering an election year.
