**Justice Daniel Kelly's Campaign Announces Endorsement of
Wisconsin Realtors Association**

[Madison, WI] – Today, Supreme Court Justice Daniel Kelly's campaign announced that he had received the endorsement of the Wisconsin Realtors® Association, the latest sign of the broad and growing coalition supporting his campaign.

“On behalf of Justice Kelly's campaign, we want to thank the Realtors for their endorsement of our campaign,” said Campaign Manager Charles Nichols. “This endorsement is not only proof of Justice Kelly's record of protecting the rule of law, but also a crucial sign of the strong coalition of support that he is building ahead of the primary election in just a few short days, and the general election in April. We are confident that with this kind of support – and that of thousands of citizens across the state – Justice Kelly's campaign to protect the rule of law will prevail.”

“Following a thorough review of the candidates, the Wisconsin Realtors® Association has decided to endorse Justice Daniel Kelly for Wisconsin Supreme Court,” said Mike Theo, President and CEO of the Wisconsin Realtors® Association. “Our endorsement draws on candidates' records and available legal opinions, interviews with the candidates, and detailed questionnaires, all focused around the issues that impact our members and the real estate industry. That endorsement process yielded a clear champion for property rights and other important real estate issues in Justice Kelly.”
