Rep. Macco Proud to Support Tax Package That Moves Wisconsin into Twenty-First Century

Ledgeview... Representative John Macco (R-Ledgeview) released the following statement regarding the recently announced tax cut package:

“This tax cut package will provide much-needed tax relief to Wisconsin tax payers” said Rep. Macco. “Not only does this package deliver income tax reductions for the middle class, it also helps us continue to lower state debts, invest in the rainy day fund, and moves us towards a tax code that looks like we created it on purpose.”

Rep. Macco joined his colleagues at Team Industries in Kaukauna Wisconsin on Friday, to announce the new tax cuts. As Chairman of the Assembly Committee on Ways and Means, Rep. Macco has been charged with prioritizing comprehensive tax reform.

“When you look at other states like South Carolina or Utah, they’ve implemented common-sense tax policies that unleash their economy and put the people first. This tax cut package gets us closer to that,” said Rep. Macco.
