DeForest Village Trustee Abigail Lowery declares for the 37th Assembly District

DeForest — DeForest Village Trustee Abigail Lowery has announced that she is running as a Democrat to represent Assembly District 37, which includes DeForest, Windsor, Columbus, Waterloo, and Watertown.

"I have been honored to serve our community on the DeForest Village Board for the last three years and have successfully advocated for and implemented policies that 'grow the good life' here," said Lowery. "We need more of that advocacy for our communities in the Capitol in Madison, and I am ready to bring that to the Wisconsin State Assembly."

Lowery's extensive public service background motivates her to run and fight for what communities in Assembly District 37 need. She is a former special education teacher and has worked in a range of positions supporting adults and children with developmental disabilities. Fighting for children, public education, and disability rights are part of who she is and why she is running. She is currently a DeForest Village Board trustee and serves on various local boards. Restoring power to the people in terms of protecting the right to vote, closing the Dark Store Loopholes, and creating fair maps are also major priorities. To be elected and serve as Representative to the State Assembly in district 37, she needs your vote on November 3rd.

"Running for elected office is a huge time commitment. When I look at my two children in these uncertain times with an ongoing pandemic, I believe it is worth it. This seat, our wonderful state and her people are worth it. It becomes clearer every day that the politics as usual is not working for the communities in the 37th Assembly District. I'm ready to serve in a meaningful and accountable manner," Lowery said.

Lowery is a lifelong Wisconsinite, and she and her family have lived in the 37th district for over a decade. She is a UW-Madison graduate. Lowery and her husband have two children and a dog they lovingly adopted from the Columbia County Humane Society.

Paid for by Abigail Lowery for Wisconsin, Mary Arnold Treasurer.
