Statement: Time to Reopen the State

Madison, WI...Speaker Robin Vos (R-Rochester) released the following statement after the latest emergency order.

“It’s another day and another confusing emergency order. We’ve flattened the curve by being careful and using common sense. With more testing, we’re seeing a smaller percentage of positive cases. This shutdown has put half a million people out of work. It’s time to get everyone back to work in every part of the state.”
