## Weekly Republican Radio Address: Honoring Police Week

MADISON – Senate President Roger Roth (R-Appleton) delivered the weekly Republican radio address.

[Listen to the radio address here](#)

*In 1962, President John F. Kennedy signed a proclamation which designated May 15 as Peace Officers Memorial Day and the week in which that date falls as Police Week.*

*In 1982, the Memorial Service began in Senate Park where tens of thousands of law enforcement officers would come to participate and honor those who lost their lives in the line of duty.*

*Decades later, we continue to honor our fallen soldiers. While this year's Police Week events and memorial services may look a little different, we are still here for our officers and their families. We as a community and as a nation honor their sacrifice.*

*No matter the circumstances, we are all in this together – always.*
