ASSEMBLY CANDIDATES HONG AND MALINOWSKI TO HOST DIGITAL BRAT BROIL

Two Democratic Challengers will host “Snacks and Spirits: I-94 East and West” on Facebook Live

WISCONSIN -- Wisconsin State Assembly candidates Francesca Hong (AD 76) and Jacob Malinowski (AD 82) will host a brat broil on Facebook Live on June 17th at 4pm. This unique coordinated event will bring together future colleagues from two different parts of the state and demonstrate the energy and ideas they want to bring to the Capitol in January.

Due to COVID-19, this event will be streamed publicly [here](#). Any viewers who want to cook along with Hong and Malinowski can find the recipe on their Facebook event. There is a suggested contribution of \$10 -- to be split evenly between the candidates -- which [can be made here](#).

“Though the isthmus of Madison and the suburbs of Milwaukee have different needs, Wisconsinites everywhere agree that we need creative problem-solvers to get our state back on the right track. I’m really excited to cook with Francesca and talk policy months before either of us take office,” said Jacob.

"I'm stoked to cook with Jacob because we both understand that it's time for new leadership dedicated to collaboration and coordination, not showmanship and divisiveness, to make our state work for all Wisconsinites," said Francesca.

About Francesca

Francesca is a second generation Wisconsinite, mother, community organizer and service industry worker. A daughter of hard-working immigrants who made the journey to the United States in the 1980s, Francesca learned early the value of sacrifice and hard work. Hong’s vision for Wisconsin is one of repairing discourse, preserving a shared humanity and empowering communities in coalition building to cultivate social inclusivity, equity and economic proliferation.

About Jacob

Jacob is a lifelong resident of the 82nd Assembly district and grew up in a middle-class, bipartisan household. From his time on the school board to working three service industry jobs to pay for college, Jacob learned early on what it meant to serve others. Jacob is in this race because his neighbors are sick of do-nothing career politicians and deserve a new, passionate leader with real solutions.
