**NEAL PLOTKIN ANNOUNCES ENDORSEMENT OF CAMPAIGN FOR STATE  
SENATE BY STATE TREASURER SARAH GODLEWSKI**

*Godlewski sees Plotkin with the vision needed to move us forward*

**GLENDALE** - Neal Plotkin, candidate for the Wisconsin State Senate District 8, today announced the endorsement for his campaign by Wisconsin State Treasurer Sarah Godlewski:

Treasurer Godlewski stated, "I'm proud to endorse Neal Plotkin for State Senate. I know Neal can create the positive change we need in his district. From his commitment to educating the next generation, to his commitment to his community through his synagogue, he will bring a valuable voice to the State Senate. And as a fellow small business owner, I know he has the grit and dedication we need in Madison."

Plotkin commented, "We're so excited to have the support of Wisconsin State Treasurer Sarah Godlewski in our race for the State Senate. In her 2018 election win, she earned the support of Democrats and Republicans across Wisconsin. Her work to protect taxpayer dollars, and increase efficiency in our state government has been outstanding. People like Sarah Godlewski are part of the next wave of Democratic Party leaders who are focused on solving problems, not engaging in partisan bickering. I'm honored to have her in my corner and look forward to working with her when I'm elected to the State Senate this November."
