Rep. Tip McGuire Announces Re-Election Campaign

Today, State Representative Tip McGuire (D - Kenosha) announced his re-election campaign for the 64th Assembly District. The 64th Assembly District includes much of the City of Kenosha, the Village and Town of Somers, the Village of Elmwood Park, and parts of the Village of Mount Pleasant and the City of Racine.

“My primary goal in the legislature will continue to be making sure that our working families can live safely and thrive in our economy. That begins with supporting the local small businesses and workers that are the backbone of our community.”

This past session, Rep. McGuire introduced the Buy American Act (Assembly Bill 963), which would provide a preference in state and local government contracts for goods manufactured in the United States. In addition, Rep. McGuire worked across party lines to introduce several pieces of legislation, including several bipartisan bills that passed through the Assembly. Notably, Rep. McGuire worked with his Republican colleagues to develop common-sense legislation that would protect the rapidly eroding Lake Michigan shoreline.

“The COVID-19 pandemic has threatened the health of our citizens and our economy. It is essential that we set aside partisan bickering and focus on an agenda that puts Main Street and our workers first. I plan to continue working across the aisle to find ways to restore Wisconsin’s hard working middle class, strengthen our economy, and ensure the health and safety of all Wisconsinites.”

Prior to his election to the State Assembly in 2019, Rep. McGuire was a criminal prosecutor in the Kenosha and Milwaukee District Attorney’s offices. He worked for his predecessor in the Assembly, current Sec. of Revenue Peter Barca, from 2009 until 2014, when he enrolled in law school.
