Rep. Don Vruwink Endorses Nicki Vander Meulen for State Assembly

Madison, WI - Today Rep. Don Vruwink from Wisconsin's 43rd Assembly District announced his endorsement of Nicki Vander Meulen for the 76th Assembly District.

"I know it's unusual to endorse in a primary but Nicki Vander Meulen warrants an exception. I am pleased to endorse Nicki Vander Meulen and would be pleased to work with her. Ms. Vander Meulen has the perfect combination of big city experience mixed with small town values. Nicki grew up in Whitewater, Wisconsin and while she has made great progress for her community in Madison she has kept the traits of honesty, loyalty, and love of community that embody my district. Nicki will be a great addition to the Assembly and I'm honored to endorse her as Representative of the 76th Assembly District."

Nicki Vander Meulen is currently in her second term on the Madison Metropolitan School Board. She is also a defense attorney, and if elected will be the first openly autistic person in a state legislature in the nation.
