Loudenbeck Elected Chair of State Capitol and Executive Residence Board

Madison – Today, Rep. Amy Loudenbeck (R-Clinton) was elected Chair of the State Capitol and Executive Residence Board (SCERB). Rep. Loudenbeck has served on SCERB since 2011, including serving as the legislative vice-chair for the last several years. She succeeds Senator Fred Risser (D-Madison) who has served SCERB in a leadership capacity since 1987 and is stepping down as he retires from the legislature.

“I appreciate the trust Senator Risser and the rest of the SCERB members have placed in me by selecting me as the chair. On behalf of the board members, I would like to thank Senator Risser for his many years of service to not only SCERB, but also his constituents, and the State of Wisconsin,” said Loudenbeck.

“Like Senator Risser, I believe very strongly in protecting the integrity and history of our State Capitol and Executive Residence. I look forward to actively engaging with board members and the Department of Administration in my new role and will do my best to ensure both properties are properly cared for, maintained and preserved for years to come,” said Loudenbeck.

About SCERB: The 16-member State Capitol Executive Residence Board was created by Chapter 183, Laws of 1967. The purpose of SCERB is to direct the continuing and consistent maintenance of the property, decorative furniture and furnishings of the State Capitol and the Executive Residence. No renovation, repairs except repairs of an emergency nature, installation of fixtures, decorative items or furnishing for the ground and building of the Capitol or Executive Residence may be performed by or become the property of the state by purchase wholly or in part from state funds, or by gift, loan or otherwise until approved by the Board as to design, structure, composition and appropriateness.
