Rep. Sanfelippo Applauds DOT Decision to Restart the I-94 East-West Corridor Project

MADISON, Wis. – The Wisconsin Department of Transportation announced today that they will be restarting the I-94 East-West Corridor Project. Upon learning of this new development, Rep. Joe Sanfelippo, R-New Berlin, released the following statement:

“I am extremely happy to learn that the DOT is restarting the East-West Project. I have been advocating tirelessly for the completion of this project for the last several years through legislation, budget amendments, editorials, and ongoing dialogue with both the Walker and Evers administrations. It has been an uphill battle at times.

“Completing the East-West Project will ensure that the maximum potential of our infrastructure investments in the Marquette and Zoo Interchanges will be fully realized.

“I would like to thank Secretary Thompson for understanding the statewide importance of this crucial stretch of highway for our agriculture, tourism, and manufacturing industries.”
