Mason Becker Announces Strong 2nd Quarter Fundraising

5-to-1 Advantage in Fundraising This Year

Fort Atkinson, WI: 33rd Assembly District Candidate Mason Becker has filed his 2nd quarter campaign finance report, and it shows Becker out-raised his incumbent opponent more than 5-to-1 thus far in 2020. Becker shows total receipts of \$33,117.10 for the period, with \$24,436.54 cash on hand. Becker's opponent only raised \$6,420.00, with \$15,019.54 cash on hand. Becker attributes his strong showing to widespread grassroots support from within the district.

"Our campaign to return to results is resonating with the public," Becker said. "Three hundred and fourteen individuals, the vast majority from within our district, stepped up during these difficult times. I am humbled and grateful for their support. With their support, beginning in November, we'll move beyond the failed divide and conquer politics, and return to results for the families of Assembly District 33."

Mason Becker grew up in Fort Atkinson, where he and his wife Laura are raising their two sons. Becker is part of a family restaurant business, and currently is serving in his third term on the Fort Atkinson City Council. He is in his third year as City Council President.
