## City of Madison On-Street Parking Updates

The Parking Division is continuing the current suspension of some posted restrictions in non-metered areas through Sunday, July 12. We will continue to evaluate all changes on a week-by-week basis, making adjustments to best meet the needs of the community.

**The following non-metered parking restrictions will remain temporarily suspended Citywide through at least Sunday, July 12, and will not be enforced:**

- Residential Permit Only areas
- 1-hour and 2-hour time-limits in non-metered areas
- Street sweeping and Clean Streets-Clean Lakes program restrictions

**All other on-street metered and non-metered parking restrictions are in effect and enforceable.**
