

Kenosha County Board of Supervisors

August 30, 2020

President Donald J. Trump
The White House
1600 Pennsylvania Avenue NW
Washington, DC 20500

Dear President Donald J. Trump:

Please do not cancel your plans to visit Kenosha to meet with citizens and business owners devastated by the violence that took place this past week.

Kenoshans are hurting and looking for leadership, and your leadership in this time of crisis is greatly appreciated by those devastated by the violence in Kenosha.

Many Kenoshans are very grateful for the federal assistance that your administration provided. The relief was felt countywide once federal and local law enforcement agencies were able to take proactive steps to prevent additional crime, instead of being outnumbered and spread too thin.

We would be honored to have you come to Kenosha so citizens can thank you in person.

Sincerely,

Zach Rodriguez
