NRA Endorses Julian Bradley for State Senate

FRANKLIN, Wis. — The National Rifle Association has endorsed Republican State Senate candidate Julian Bradley for his bid for the 28th District, his campaign announced Tuesday.

Bradley released the following statement regarding the endorsement:

“On Nov. 3, we must send a senator to Madison who will fight for our constitutional rights — and our right to bear arms is so essential. I am honored by the confidence the NRA has in me to protect our freedoms and liberties. Southeast Wisconsinites can be certain that I will stand my ground for lawful gun owners.”

Based on his reliable support of the Second Amendment, Julian earned an “AQ” rating from the NRA-PVF for the Nov. 3 general election. The ‘AQ’ rating is the highest rating a candidate can receive without a voting record.
