**Stafsholt for Senate Announces Farm Bureau Endorsement**

*Local Farmers support State Representative Rob Stafsholt in his run for State Senate*

State Representative Rob Stafsholt announced another key endorsement today from the Wisconsin Farm Bureau Federation. A panel of five local Farm Bureau members chose to unanimously endorse Rep. Stafsholt after meeting with both candidates for the 10th Senate District.

**“As a fourth generation family farmer, I understand the struggles Wisconsin farmers have been facing,”** said Stafsholt. **“I am proud to receive this endorsement from my neighbors and fellow farmers in the Wisconsin Farm Bureau.”**

**“During my time serving in the State Assembly I have worked hard to represent the 29th Assembly District’s farms. Broadband access, market expansion for our products and rural road infrastructure are crucial in our area. I am looking forward to continuing to support those measures as the Senator for the 10th Senate District.”**

Representative Stafsholt serves as State Representative for Wisconsin’s 29th Assembly District. He is running as a candidate for Wisconsin’s 10th Senate District. Election Day is November 3rd.
