### PRESS RELEASE

MILWAUKEE, WI – Today, Candidate for State Superintendent of Public Instruction Steve Krull issued the following statement:

“On December 24, 2020, I had several COVID-19 symptoms and received a rapid test which came back positive. I informed individuals who were in close contact with me and am following the doctor’s recommendation to self-isolate at home. I encourage everyone to wear a mask, wash your hands, and practice physical distancing. If you start to display symptoms or believe you were exposed to the virus, please keep others safe by following recommendations and guidelines outlined by the CDC.”
