Rep.-Elect Cabral-Guevara Selected as Vice-Chair for Mental Health Committee

Neenah, WI - Representative-Elect Rachael Cabral-Guevara was informed that she was selected to serve as Vice-Chair for the Assembly Committee on Mental Health. Representative-Elect Rachael Cabral-Guevara (R-Neenah) issued the following statement:

“I’m happy to announce that I have been selected as Vice-Chair for the Assembly Committee on Mental Health. I am looking forward to working with constituents, colleagues, and Chairman Tittl to improve the lives of those living with mental illness and their families. Beyond that, during this pandemic, it’s important that all of us look after one another and our own mental health.”

“Having family members of my own and caring for patients who have struggled with mental illness, I am hopeful my experience dealing with these issues can be beneficial.”

“I encourage anyone to reach out if you would like to meet and discuss what we can do together to improve the lives of those affected by mental health issues.”
