Statement of Mayor Rhodes-Conway on Recent Election Court Ruling Lawsuit Challenged Democracy in the Park

I am glad these absurd lawsuits against the Wisconsin vote are being knocked down one by one. I am particularly glad the ballot boxes we secured and installed to help keep voting safe in the midst of a pandemic were upheld, along with the City Clerks innovative Democracy in the Park effort. Cities are innovating to make voting easier, I find it astounding that some are attempting to stand in the way and make it harder for people to vote.
