*Rep. Snyder inaugurated as Legislature reopens the Capitol*

**Madison...** Representative Patrick Snyder (Schofield) took the oath of office to begin his third term as Representative for the 85<sup>th</sup> Assembly District on Monday. Following the Inauguration Ceremony and vote to reopen the State Capitol, Representative Snyder made the following statement:

“I am honored to have been chosen by my friends and neighbors in the 85<sup>th</sup> Assembly District to represent them in Madison during the 105<sup>th</sup> Legislature of the State Assembly. It is now more important than ever that legislators work to bipartisan solutions to COVID-19. I look forward to working with all my colleagues in the legislature and Governor Evers to continue responding to this challenge. As part of this response the Legislature passed resolutions reopening the State Capitol building. I am confident that all will follow proper safety and social distancing protocols as we work together for the people of Wisconsin.”

In December, Representative Snyder was again selected by Assembly Speaker Robin Vos to serve as Chairman of the Committee on Children and Families for the 2021-2022 legislative session. Rep. Snyder added,

“I am excited to continue serving as Chairman of the Committee on Children and Families. The committee has historically been an outstanding example of the bipartisan solutions that are developed when we all work together and I am dedicated to continuing that bipartisan collaboration in this session of the legislature. Additionally, I look forward to serving as a member on other committees that work on jobs, mental health, corrections, small business, and substance abuse issues.”
