## **Representative Magnafici Stands up to Discrimination**

MADISON, WI, - Representative Gae Magnafici, (R- Dresser) today released a bill that makes it illegal for businesses to discriminate based on a patron's vaccination record. Rep. Magnafici said the following:

*“Lately, many on the left have talked about discriminating against individuals based on if they were able to receive a COVID vaccination or not. Some businesses have begun to develop ‘vaccination passports’ in the hopes anyone without the vaccine will be prevented from patronizing businesses like grocery stores and gas stations.*

*That is why I am introducing legislation to make it illegal for private businesses to discriminate against anyone based on their vaccination record.*

*This is a common sense anti-discrimination law aimed at protecting those who cannot receive the vaccine or who have not yet received access.”*
