\*Denotes supplemental awards to Round One subgrantees for existing grant projects

In August 2019, Wisconsin was awarded \$2.9 million in federal grant funding by the U.S. Department of Transportation and U.S. Department of Commerce for the purpose of advancing NextGen9-1-1 in the state. Primary public safety answering points (PSAPs) were eligible to apply for allowable expenses related to end of life Customer Premises Equipment (CPE) hardware and software replacement.

The OEC announced the award of \$2.1 million in federal NextGen9-1-1 funding to 24 local grant projects in June 2020. A link to the announcement of Round One subgrantees can be found here: <https://dma.wi.gov/DMA/oec-news/oec200617>
