OUTPOURING OF SUPPORT GETS PENTERMAN ON BALLOT FIRST

Penterman is the First Candidate to Turn in Nomination Signatures

Columbus: Republican Will Penterman announced that he is the first candidate to turn in his nomination signatures to get on the ballot for the upcoming special election on June 15th.

“I am grateful for the outpouring of support,” said Penterman. “The great people of the 37th Assembly District want conservative leadership in Madison. They want someone who will protect the unborn, get Wisconsin back to work, safeguard our communities from criminals, preserve our 2nd Amendment rights, and ensure integrity in our elections.”

People want action. As a lifelong conservative, I am ready to lead the charge in supporting our law enforcement officers, veterans, and first responders. I look forward to speaking with more residents of the 37th Assembly District and listening to their concerns.”
